- (a) that PPS may only be offered for sale or sold in accordance with the Selling Restrictions; and
- (b) to indemnify ANZ, the Registry, each Manager and their respective directors, officers, employees and agents (each an "**Indemnified Person**") in respect of any loss, cost, claim, fine, damages, liability or expense sustained or incurred by that Indemnified Person as a result of the Holder breaching the Selling Restrictions.

- (a) Each PPS entitles the Holder to receive a cash distribution ("**Distribution**") payable in arrear on each Distribution Payment Date, calculated in accordance with clause 3.3.
- (b) Payment of the Distribution on each PPS is subject to clauses 3.6, 3.7 and 10.

3.2 Distribution Rate determination:

- (a) The rate (expressed as a percentage per annum) to be used for calculating Distributions in accordance with clause 3.3(a) or (b) for each Distribution Payment Date on or before the First Optional Redemption Date, is the rate calculated according to the following formula:

Distribution Rate = (Swap Rate + Issue Margin)

- (b) The rate (expressed as a percentage per annum) to be used for calculating Distributions in accordance with clause 3.3(c) for each Distribution Payment Date after the First Optional Redemption Date, is the rate calculated according to the following formula:

Distribution Rate = (Base Rate + Issue Margin),

provided that, if the rate determined in accordance with this clause 3.2(b) is less than 0% per annum, the Distribution Rate will be deemed to be 0% per annum.

- (c) In these Terms:

"3 Month Bank Bill Rate" means, for a Distribution Payment Date:

- (i) the FRA rate administered by the New Zealand Financial Benchmark Facility ("**NZFBF**") (or any person that takes over the administration of that rate) for bank bills having a term of, or of about, 3 months as displayed at or about 10.45am or such later time as ANZ may determine on the previous Scheduled Distribution Payment Date on Bloomberg BKBK page 'GDCO 2805' (or any successor page); or
- (ii) if that rate is not displayed by 10.45am (New Zealand time) or such later time as ANZ may determine on that date (other than on account of a BKBK Disruption Event), the equivalent rate provided by the NZFBF (or any person that takes over the administration of that rate) at or around that time on that date,

in each case expressed as a percentage per annum and rounded, if necessary, to the nearest 4 decimal places with 0.00005% being rounded up.

"Alternative Reference Rate" means, for a Distribution Payment Date, the rate determined by ANZ at or about 10.45am or such other time as is customary for determining the rate on the previous Scheduled Distribution Payment Date as a rate that is generally accepted in the market for bank securities denominated in NZ dollars with an interest period of, or of about, 3 months, or if ANZ is not able, after making reasonable efforts, to ascertain such rate, or there is no such rate:

- (i) a reference rate that is, in ANZ's opinion, appropriate to bank securities denominated in NZ dollars with an interest period of, or of about, 3 months; or
- (ii) such other reference rate as ANZ considers appropriate having regard to available comparable indices,

in each case expressed as a percentage per annum and rounded, if necessary, to the nearest 4 decimal places with 0.00005% being rounded up.

"Base Rate" means:

- (i) the 3 Month Bank Bill Rate; or
- (ii) if a BKBM Disruption Event occurs, the Alternative Reference Rate.

"BKBM Disruption Event" means a determination by ANZ that the rate referred to in paragraph (i) of the definition of 3 Month Bank Bill Rate has become unavailable.

- (i) the mid-market rate for an interest rate swap with a term of 6 years commencing on the Issue Date, as determined by ANZ, according to market convention, with reference to Bloomberg page 'ICNZ4' (or any successor page) on the Rate Set Date; or
- (ii) if a rate is unable to be determined in accordance with paragraph (i) above, or if ANZ forms a view, on reasonable grounds, that the rate so determined is not an accurate reflection of market rates, the average of the mean bid and offered swap rates quoted by each of 3 leading banks (or such 1 or more of them as are quoting) selected by ANZ on the Rate Set Date for an interest rate swap with a term of 6 years commencing on the Issue Date,

in each case expressed as a percentage per annum, adjusted for quarterly payments and rounded, if necessary, to the nearest 2 decimal places with 0.005% being rounded up.

- (d) **BKBM Disruption Event:** If a BKBM Disruption Event occurs, ANZ:
 - (i) will use as the Base Rate such Alternative Reference Rate as it may determine in accordance with these Terms;
 - (ii) will make such adjustments to these Terms as it determines are reasonably necessary to calculate Distributions in accordance with such Alternative Reference Rate;
 - (iii) in making the determinations under paragraphs (i) and (ii) above:
 - (aa) will act in good faith and in a commercially reasonable manner;
 - (bb) may consult with such sources of market practice as it considers appropriate;

- (cc) will have regard to the applicable eligibility criteria for Additional Tier 1 Capital; and
- (dd) may otherwise make such determination in its discretion; and
- (iv) will, at least 5 Business Days prior to the first Scheduled Distribution Payment Date on which an Alternative Reference Rate is to be determined, notify Holders, the Registry and the RBNZ of its decision to use the Alternative Reference Rate.

3.3 Calculation of Distributions:

- (a) The Distribution payable on each PPS on each Scheduled Distribution Payment Date on or before the First Optional Redemption Date and on the Redemption Date (if it falls on a date on or before the First Optional Redemption Date that is a Scheduled Distribution Payment Date) is calculated according to the following formula:

$$\text{Distribution payable} = \frac{\text{Distribution Rate} \times (1 - \text{Tax Rate}) \times \text{Issue Price}}{4}$$

- (b) The Distribution payable on each PPS on the Redemption Date (if it falls on a date before the First Optional Redemption Date that is not a Scheduled Distribution Payment Date) is calculated according to the following formula:

$$\text{Distribution payable} = \frac{\text{Distribution Rate} \times (1 - \text{Tax Rate}) \times \text{Issue Price}}{4} \times \frac{A}{B}$$

- (c) The Distribution payable on each PPS on each Distribution Payment Date after the First Optional Redemption Date and on the Redemption Date (if it falls on a date after the First Optional Redemption Date) is calculated in accordance with the following formula:

$$\text{Distribution payable} = \frac{\text{Distribution Rate} \times (1 - \text{Tax Rate}) \times \text{Issue Price} \times A}{365}$$

where the Distribution Rate is expressed as a decimal and:

"A" means, in respect of a Distribution Payment Date, the number of days from (and including) the preceding Scheduled Distribution Payment Date (or the Issue Date in the case of the first Distribution Payment Date) to (but excluding) the Distribution Payment Date.

"B" means, in respect of a Distribution Payment Date, the number of days from (and including) the preceding Scheduled Distribution Payment Date (or the Issue Date in the case of the first Distribution Payment Date) to (but excluding) the date that would have been the next Scheduled Distribution Payment Date had the PPS not been Redeemed.

"Tax Rate" means the New Zealand corporate tax rate on the relevant Distribution Payment Date (expressed as a decimal).

- 3.4 **Distributions to be Fully Credited:** Subject to clause 3.5, ANZ shall attach Imputation Credits to each Distribution at the rate necessary for the Distribution to be Fully Credited.

- 3.5 **Adjustment to calculation of Distributions if not fully imputed:** If any Distribution is not Fully Credited in accordance with clause 3.4, the Distribution will be increased by an amount in dollars equal to the shortfall in Imputation Credits which would otherwise have been attached to the Distribution had the Distribution been Fully Credited.

3.6 **Distribution payments are discretionary and conditional:** ANZ has full discretion at all times to cancel Distributions on the PPS. In addition, the payment of any Distribution on any Distribution Payment Date is subject to:

- (a) the payment of the Distribution not resulting in a breach of the Conditions of Registration as at the time of the payment; and
- (b) ANZ being Solvent on the Distribution Payment Date and remaining Solvent immediately after such payment is made.

ANZ must notify Holders at least 5 Business Days before the relevant Record Date (or, if later, promptly and without delay after it decides not to make the Distribution) if payment of any Distribution will not be made because of this clause 3.6.

3.7 **Distributions are non-cumulative:** Distributions are non-cumulative. If payment of any Distribution is not made for any reason, ANZ has no liability to pay that unpaid Distribution. No interest accrues on any unpaid Distributions and a Holder has no claim or entitlement in respect of interest on any unpaid Distribution.

3.8 **Notification of Distribution Rate:**

- (a) ANZ must determine the Distribution Rate for each Distribution Payment Date on or before the First Optional Redemption Date in accordance with clause 3.2 and announce the Distribution Rate via NZX and notify the Registry of the Distribution Rate on or about the Rate Set Date.
- (b) ANZ must determine the Distribution Rate for each Distribution Payment Date after the First Optional Redemption Date in accordance with clause 3.2 and notify Holders and the Registry of the Distribution Rate on or about the previous Scheduled Distribution Payment Date.

3.9 **Restrictions on ANZ in the case of non-payment of Distributions:** If for any reason a Distribution is not paid in full within 3 Business Days of a Distribution Payment Date, ANZ must not authorise or pay a dividend on its Ordinary Shares, acquire its Ordinary Shares or otherwise undertake a capital reduction in respect of its Ordinary Shares, unless and until:

- (a) ANZ pays a Distribution in full on a subsequent Scheduled Distribution Payment Date; or
- (b) there are no PPS outstanding.

3.10 **Deductions:**

- (a) ANZ may deduct from any Distribution or any other amount payable in accordance with these Terms the amount of any withholding or other tax, duty or levy required by law to be deducted in respect of such amount ("**Tax**"). Deductions of Tax will be made at the maximum rates from time to time applicable unless a Holder provides evidence satisfactory to the Registry that a lesser rate is applicable prior to the applicable Record Date.
- (b) If any such deduction has been made and the amount of the deduction accounted for by ANZ to the relevant revenue authority and the balance of the Distribution payable has been paid to the relevant Holder, the full amount payable to such Holder shall be deemed to have been duly paid and satisfied by ANZ.
- (c) ANZ shall pay the full amount required to be deducted to the relevant revenue authority within the time allowed for such payment without incurring any penalty under the applicable law and shall, if required by any Holder, deliver to that Holder

a copy of any relevant evidence issued by the revenue authority (to the extent issued) without delay after it is received by ANZ.

- (d) A Holder must notify the Registry:
 - (i) prior to the first applicable Record Date for that Holder, of its country of residence for tax purposes (if the Holder is not a New Zealand tax resident); and
 - (ii) prior to any Record Date, of any change in circumstances from those previously notified that could affect the payment or withholding obligations of ANZ.
- (e) By accepting payment of any Distribution or any other amount payable in accordance with these Terms, the Holder indemnifies ANZ for all purposes in respect of any liability ANZ may incur for not deducting any amount from such payment on account of New Zealand non-resident withholding tax or New Zealand resident withholding tax.
- (f) If, in relation to any PPS, ANZ becomes liable to make any payment of or on account of tax payable by the Holder, ANZ is indemnified by the Holder in relation to such liability. Any moneys paid by ANZ in relation to any such liability may be recovered from the Holder as a debt due to ANZ and may be withheld from and set-off against further payments to that Holder. Nothing in this clause prejudices or affects any other right or remedy of ANZ.

4. REDEMPTION

4.1 Optional Redemption by ANZ:

- (a) Subject to paragraph (b) below, ANZ may by notice to Holders (a "**Redemption Notice**") elect to Redeem all (but not some) of the PPS in accordance with clause 5:
 - (i) following the occurrence of a Tax Event or a Regulatory Event; or
 - (ii) on an Optional Redemption Date.
- (b) ANZ may only Redeem the PPS if:
 - (i) either:
 - (aa) prior to, or concurrent with, the Redemption, ANZ replaces the PPS with a paid-up capital instrument:
 - (A) of the same, or better, quality and contributing at least the same regulatory capital amount (for the purposes of the RBNZ's capital adequacy requirements applying to ANZ at the time); and
 - (B) the terms and conditions of which are sustainable for the income capacity of the ANZ Group; or

- (ii) ANZ has provided any information and supporting documentation required by the RBNZ's prudential regulatory requirements to the RBNZ;

4.3 No optional Redemption by Holders: A Holder cannot require ANZ to Redeem all or some of the PPS held by the Holder.

4.4 Agreements of Holders as to Redemption: By its purchase of PPS, each Holder irrevocably acknowledges and agrees that:

- (a) the RBNZ's approval for any Redemption of the PPS by ANZ is at the absolute discretion of the RBNZ and the Holder should not expect that the RBNZ's approval will be given for any Redemption of the PPS; and
- (b) the Holder has no right to require any Redemption of the PPS.

4.5 Final Distribution: For the avoidance of doubt, Redemption may occur even if ANZ, in its absolute discretion, does not make a Distribution on the Redemption Date.

5. REDEMPTION MECHANICS

5.1 Redemption mechanics to apply to Redemption: The provisions of this clause 5 apply to the Redemption of PPS.

5.2 Redemption: PPS will be Redeemed by payment on the Redemption Date of the Issue Price to the Holder.

- (c) Under no circumstances may a Holder seek to have any obligations of ANZ under the PPS accelerated.

6.2 Ranking for payment: The PPS rank in respect of payment of Distributions:

10. PAYMENTS

10.1 **Payments to Holders on the Record Date:** Each payment in respect of a PPS will be made to the person that is recorded in the Register as the Holder of the PPS as at the close of business on the Record Date for that payment.

10.2 **Manner of payment to Holders:** Payments will be made by ANZ by crediting on the relevant payment date the amount due to a NZ dollar bank account maintained in New Zealand with a financial institution (excluding credit card accounts), notified by the Holder to the Registry by close of business on the Record Date for that payment.

ANZ or the Registry will send a notice to the email address, other electronic address or postal address most recently notified by the Holder to the Registry advising of the uncompleted payment. In that case, the amount of the uncompleted payment will be held as a deposit in a non-interest bearing, special purpose account maintained by ANZ or the Registry until the first to occur of the following:

- (i) the Holder nominates a suitable NZ dollar bank account maintained in New Zealand with a financial institution to which the payment may be credited;
- (ii) claims may no longer be made in respect of that amount, in which case the moneys shall be paid to and be the property of ANZ; or

- (b) for the purposes of making payment to a Holder in respect of the Holder's aggregate holding of PPS, any fraction of a cent will be disregarded.

10.6 **Payment to joint Holders:** A payment to any one of joint Holders will discharge ANZ's liability in respect of that payment irrespective of any notice to the contrary that may be provided to ANZ by any of the joint Holders.

10.7 **Payment on Business Days:** If a payment:

- (a) is due on a PPS on a day which is not a Business Day, then the due date for payment will be postponed to the next day that is a Business Day; or
- (b) is to be made to an account on a Business Day on which banks are not open for business in the place the account is located, payment will be made on the next day on which banks are open for business in that place,

and, in either case, no interest or other additional amount is payable in respect of that delay in payment.

10.8 **Payments subject to law:** All payments are subject to applicable law.

10.9 **FATCA:**

- (a) ANZ may withhold or make deductions from payments to a Holder where it is required to do so under or in connection with FATCA, or where it has reasonable grounds to suspect that the Holder or a beneficial owner of PPS may be subject to FATCA, and may deal with such payment in accordance with FATCA. If any withholding or deduction arises under or in connection with FATCA, ANZ will not be required to pay any further amounts on account of such withholding or deduction or otherwise reimburse or compensate, or make any payment to, a Holder or a beneficial owner of PPS for or in respect of any such withholding or deduction. A

dealing with such payment in accordance with FATCA satisfies ANZ's obligations to that Holder to the extent of the amount of that payment.

- (b) A Holder will, within 10 Business Days of request by ANZ, supply to ANZ such forms, documentation and other information relating to its status under FATCA or any other matter as ANZ reasonably requests for the purposes of ANZ's compliance with FATCA.
