

How to join ANZ using ANZ goMoney mobile app guide

Joining us using goMoney is the fastest way to join, saving you time.

Before you get started, you must:

- Be 13 years of age or over
- Have a New Zealand residential address
- Have a valid New Zealand ID either a NZ passport or NZ driver licence
- Have a compatible mobile device. See anz.co.nz/goMoney for more information.

To register, do the following:

 Search and download ANZ goMoney New Zealand from the App Store for iOS or the Google Play[™] store for Android.[™]

(3) Tap Join as a new customer.

If you ever get stuck or need extra help, we're only a phone call away on 0800 269 296.

We're always updating our app to improve the experience for our customers. Please note, that some screens may look different to how they appear in this guide.

Eligibility criteria and terms and conditions apply to the ANZ goMoney app, Internet Banking, Phone Banking, Voice ID and Pay to Mobile. For details, see our ANZ Electronic Banking Conditions (PDF 138KB). App Store is a service mark of Apple Inc.

Android and Google Play are trademarks of Google LLC.

Please note, the account information, rates and fees in this guide are for example purposes only. 05/25 H250516

- Choose how you'd like to join ANZ, either with an everyday account, or with a profile only:
 - If you choose to 'Join with an everyday account', progress to step 5.
 - If you choose to 'Join with a profile only' or 'Join as a Sole Trader', progress to step 6.
- 5 Your account option depends on your age and circumstances:
 - If you're 21 or over, you can get an ANZ Go account.
 - If you're **under 21 or studying full-time**, you can get an ANZ Jumpstart account.

Eligibility criteria, terms, conditions and fees apply. Read through the details of the applicable account to ensure it suits your needs.

To proceed, tap '**Open an everyday account**' at the bottom of the screen.

- 6 Before starting your application, make sure you've:
 - got your personal information and ID handy
 - allowed the goMoney app to access your camera.
 - completed your business application (if joining as a sole trader). You'll need to have completed your Business Current account or Business Start-Up package application. Please visit the ANZ website to complete.

Once you're ready to go, tap 'Start application'.

Read through the ANZ Terms & Conditions (including the ANZ Privacy Statement) and the Electronic Banking Conditions. You'll need to 'accept' the terms and conditions in order to start your application.

Information is general and terms apply, find out more.

Things you'll need

Getting set up should take around 10-15 minutes. When answering the following questions, please answer personally. We will follow up with business questions after this application.

A completed business application

- You'll need to have completed your Business Current account or Business Start-up package application. Please visit the ANZ website to complete.
- E To be 13 years old or older
- Contact details Email address, mobile number and NZ residential address.
- Valid New Zealand ID
 A current NZ driver licence or NZ passport.
- Mobile device with a camera
 Make sure you're in a comfortable place.
 You'll need to take a selfie video to verify
 your identity.

Start application

If you don't have everything you need, please call one of our Business Service Specialists on 0800 269 249.

- 8 First, enter your **Contact Details** including your mobile phone number. Tap '**Continue**'.
- 9 We'll send you a unique verification code via SMS (text message) to confirm your phone number. Enter this code into the box provided.
- Before you enter your proof of New Zealand ID & address, you'll need to allow the identity check.

Note, if you deny the identity check, you won't be able to join ANZ using goMoney.

For more on how we collect, use, protect and share your information, see the ANZ Privacy Statement.

(11) Next, we'll need proof of New Zealand ID & address.

Remember, this requires access to your camera.

- Follow the on-screen prompts to take a photo of your ID. If you are using your driver licence, please ensure that both sides are imaged. The photos must be clear and uncropped.
- (13) Check your details to ensure they've been captured correctly from your ID. Update if necessary, then tap '**Continue**'.
- 14 Now, enter your residential address details.
 If your postal address is the same, swipe the toggle.
 If not, you can update it at the next step.

- (15) Next, you'll need to take a Selfie video so we can verify your identity. Again, this requires access to your camera.
- (16) Follow the on-screen prompts, ensuring there is nothing covering your face and that you are fully clothed.
- 17 Now we need your **Tax & banking details**, like your tax residency and how you're planning to use your new account.
- Select your occupation, country of birth and tax residency, then tap 'Continue'.
- Then tell us how you're planning to use the account by following the on-screen prompts. Tap 'Continue' once complete.
- 20 Lastly, it's time to set up your **Password** so you're registered to use the goMoney app and Internet Banking.
