- By doing more of your banking with ANZ, you may qualify for additional benefits, including special fee waivers
- Use ANZ Phone Banking, ANZ goMoney and ANZ Internet Banking or ATMs to manage your money
- If you're under 21 or in tertiary education, we have an account that can save you fees
- If you're eligible to register for one of our special banking packages, you could get access to a range of discounts and fee waivers – talk to us to find out more.

To use ANZ Phone Banking, ANZ goMoney and ANZ Internet Banking you'll need to register. Telephone, mobile operator and internet service provider charges may apply to these services.
